

Messaging Chat from Support Webinar – Government Lockdown Updates – 11/11/20

- 11:50:01 From Paul Curry : Paul Curry Bourton Village Hall I have a specific query. Our hall hosts a toddler and parent playgroup. Does that have to stop
- 11:59:24 From Paula Bennetts : Paul Curry - no, childcare provision can continue, as long as it is safe and you have enough staff.
- 12:10:11 From Paul Curry : I think I am still a little confused. My query concerns a parent and toddler play group, not childcare. Can it still continue
- 12:12:58 From Paula Bennetts : Paul curry - parent & toddler, would come under both support group & education so you are fine to run it.
- 11:55:33 From Patricia Freemantle : Our hall in TM is undergoing a refurbishment and we have had some help from villagers painting the hall. We no longer have group in the hall but can individuals still carry out repairs or painting in the hall
- 12:01:26 From Paula Bennetts : Patricia - A question I cannot answer! I would say no, as it is not essential. But, I will get advice on this and get back to you by email. Thank you for the question.
- 12:03:43 From Patricia Freemantle : Thank you Paula. I look forward to hearing from you. I have put an NHS Covid QR code and book for all those entering the hall to complete.
- 12:18:30 From Anne Dowsett : Will also be interested in response to Patricia Fremantle's question. John Dowsett Marnhull VH
- 12:02:33 From Clarice Wickenden : Can we hold a book exchange?
- 12:03:13 From Paula Bennetts : Clarice - no, you would not be able to hold a book exchange during lockdown.
- 12:05:43 From Serena Burgess : Our skate park had to close but young people aren't taking any notice :(
- 12:07:59 From Paula Bennetts : Serena - Frustrating. I would recommend talking to local Police (Community) to see how they can help.
- 12:09:10 From Serena Burgess : They do try to help but of course can't be there all the time. We just have to do our best to comply - as Jo said, unenforceable though
- 12:14:50 From Paula Bennetts : Serena - absolutely unenforceable - talking with the Police demonstrates that you have done all that is reasonable to enforce its closure.
- 12:07:09 From Rae - DCA : Question posed - "What help is available to this in rural areas that can't access or have virtual no Broadband or Mobile signals?"
- 12:11:02 From Paula Bennetts : Question posed - Digital boosters can help, the Digital Hotline may well be able to help. There may also be venues close by that can offer a better, more stable connection - eg Library. Do get back in contact with us, if you live in an area that is greatly effected by poor broadband/mobile signal and we can look at reporting it further. Thank you, for the question.
- 12:24:18 From Patricia Freemantle : For Jo. Are there funds or help available from ACRE with reference to applying for 20% of any building work we do in our hall. It has not yet started but next we hope to build an extension for increased storage space
- 12:36:20 From Paula Bennetts : Patricia - Jo will be in contact with you.
