What do you need? And how would you like it?

We are asking everyone here to “rank” their preference for training courses and other materials. Please rank the following in the order 1 (most favoured) to 5 (least favoured):

- Live talks via Zoom or Teams, questions into the chat
- Pre-recorded short talks/ presentations
- Interactive live workshop via Zoom or Teams
- Small groups working together via Zoom or Teams (such as an action learning set)
- Peer-support networking meetings by Zoom or Teams
- Downloadable templates and work-books
