Products

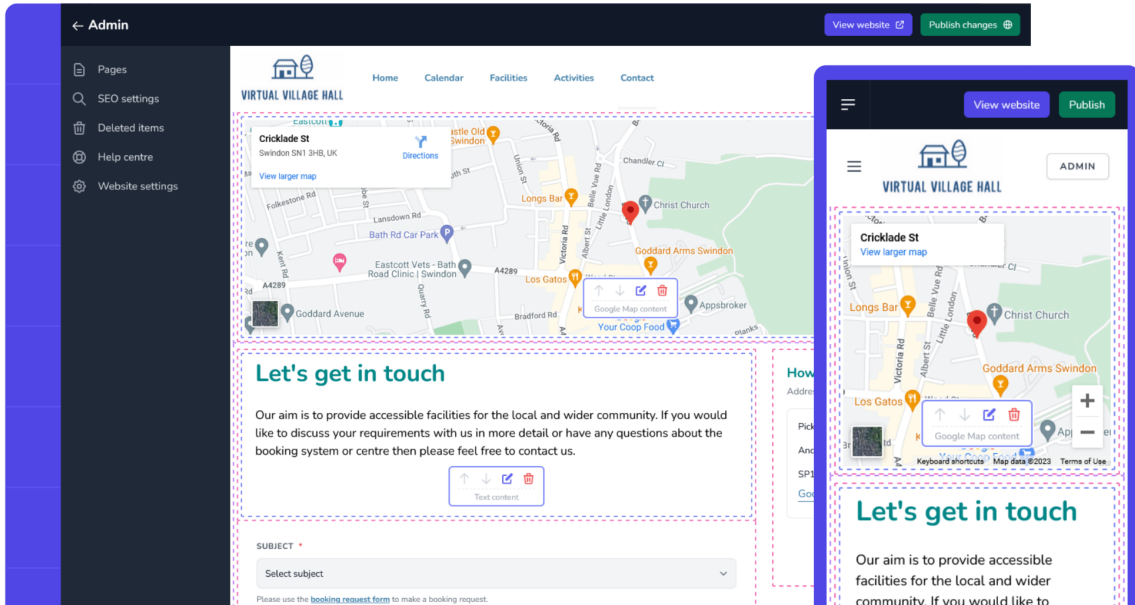

Booking system

No more calls. No more emails back and forth to find suitable dates. Customers check the calendar to see what's available and make a booking request online. You can approve a request & send an invoice in seconds. lemonbooking.com/features/booking-system

Website editor

Use the website editor to build a new website or connect the LemonBooking system to your existing site. Add web pages, change layouts, customise the design and add photos of your facilities. lemonbooking.com/features/website-editor

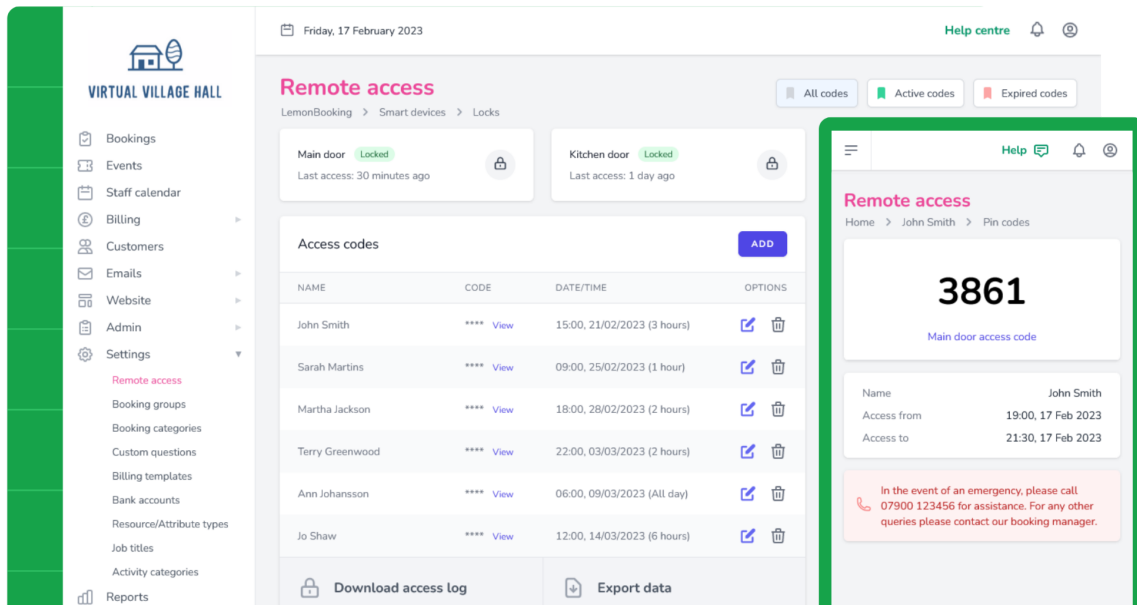

Events & ticketing

You can run one-off and repeat events, set up different types of tickets (standard, VIP, early bird, etc.) and check your guests in as they arrive with any phone or tablet. Just 20p per ticket + PayPal/Stripe fees. Other payment providers available on request. No ticket fees for free events. lemonbooking.com/features/sell-tickets-online

Smart devices

You can use data from the booking system to automatically control when your heating is activated, generate unique pin codes for hirers and display event information on screens at your venue. lemonbooking.com/features/smart-devices

Solutions

Halls

Solutions for village halls, town halls & memorial halls

With LemonBooking you can set up a website and booking system (plus sell tickets) for your hall in one easy to use online package. LemonBooking can also be connected to an existing website. lemonbooking.com/solutions/village-hall-booking-system

Community Centres

Solutions for community centres & hubs

LemonBooking is a one-stop-shop for community centres and hubs looking for a user-friendly booking system and website editor. Our service is specifically designed to save time for venue managers and customers alike. Addon modules include online payments, ticketing and controls for smart devices.

Sports Facilities

Solutions for sports facilities, leisure centres & pools

LemonBooking has special features for sport & leisure centres including support for "facility splitting" — for example a tennis court that can be booked separately or as two separate badminton courts. You can also track equipment hire and set up storage rental agreements for your regular customers. lemonbooking.com/solutions/sports-centre-booking-system

Libraries

Solutions for public & academic libraries

You can use LemonBooking to manage all the rooms and equipment at your library — from study & meeting rooms, to computer resources, print services and audio/visual equipment. Customers request bookings online and staff can approve (or decline) and invoice with just a few clicks. lemonbooking.com/solutions/library-facility-booking-system

Education

Solutions for schools, colleges & universities

Manage all the rooms and resources at your school, college or university in one place with a tailored solution from LemonBooking. You can use the booking system to hire out classrooms, study rooms, sports facilities, workshops, IT resources and other equipment. lemonbooking.com/solutions/school-facility-booking-system

Organisations

Solutions for organisations running multiple venues

You can also use LemonBooking to manage facilities, resources & staff across multiple locations. Monitor performance across all sites with real-time portfolio reports, advanced user access controls, system-wide settings & policies, document management and comprehensive audit logs. lemonbooking.com/solutions/multi-venue-booking-system
